

## The Way of Life App Ministry

Sponsoring Church: Fellowship Baptist Church 5223 Hwy 90 Pace Fl. 32571

The last month or so have been trying times; however, I am being more conformed to the image of Christ. He became poor that others may be rich. He became homeless that he might follow the Father where ever He led Him, and was disbelieved among His own kin. I now know just how he felt, because I have become poor, homeless, and despised even among close family. But there is comfort in this. The Apostle Paul, in Acts 14:22 wrote- Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God. Do you see that brothers and sisters. **We must through much tribulation** enter into the kingdom of God.

The Way of Life App ministry is up and free to the entire world on both Google Play store and Apple app store. It gives everyone a free King James Bible, Chinese Bible, and Spanish Bible from **Textus Receptus** and has over an hundred sermons and videos from University visits and much more. It navigates individuals to all ABA Churches. Looking back from day one of this ministry until now, it has been downloaded and sermons watch from nearly 50 plus different countries. Current funding remains at 1400.00 a month, However a brother in California sent me 200.00 recently by western union, which Apple developer program renewal fee was all too ready to snatch away. Google has now introduced a new annual fee of 159.00 per year per website. The App ministry has 5 websites integrated with it. I am doing the best I can with the funding I receive. It navigates individuals to all ABA Churches and one percent of them support it. Thank God for the one percent that does. Pray for me and this ministry. And to all supporting Churches, and brothers and sisters in Christ, thank you for your Love, Prayers, and continued support. It is very much needed and appreciated. Thank You.

God bless
